THIRD BOARD MEETING

The third quarterly board meeting has been called for March 1st and 2nd in Leesburg, Florida. The headquarters motel will be the Poinsettia, N. Highway #27. We will hold our meetings in the Lancer Restaurant as before. There will be a buffet dinner in the evening on Saturday and a group breakfast on Sunday morning. Rates and reservation blanks will be mailed to each board member and chapter president.

The board meetings are open to any member of the society. All are welcome to attend but only board members have a vote during the meeting.

A Saturday afternoon trip may be worked out but at this time nothing is definite. Also there may be a color slide trip after the board meeting on Saturday. Plan to be with us.

CHANGES TO BY-LAWS

The board will be presented some proposed changes to the by-laws at the Leesburg meeting. The board will not be able to make the changes as this must be done by the general membership at the Annual Meeting in June. If these changes are approved by the membership they will read as follows:

Section II Dues of this organization shall be:

a. Chapter Members. Chapters shall have authority to designate the amount of chapter dues and to collect same. Term of membership shall be one year from the first day of the closest calendar quarter on the date dues are paid.

b. Members-at-large: $5.00 per year, per person.

c. Contributing Members: Contribute twenty-five ($25.00) or more yearly.

d. Honorary Members: Shall be exempt from dues.

e. Life Members: $50.00 per single membership; $75.00 per double membership (Family unit of two persons with a single mailing address.) Chapters shall not participate in these fees. Past Presidents and Past Executive Secretaries are exempt from Life Membership fees.

f. Affiliated Organizations: $25.00 per year.

Section III Chapters shall pay to the American Hibiscus Society $1.50 per member annually on forms provided.

These changes will raise the member-at-large fee to $5.00 per person instead of $3.00 single and $5.00 double membership. Chapters can set their own dues and will pay the International Organization 50¢ less on the current single membership. The amount paid to A H S on the current double membership would be the same. It will be up to the chapters to retain the same or change their dues figures as they see fit.
